Glance at the events organized on TEEJ..!!

Teej refers to the monsoon festivals, observed particularly in western and northern states of India. The festivals celebrate the bounty of nature, arrival of clouds and rain, greenery and birds with social activity, rituals and customs.

Students at CIET performed on various traditional songs and skits which made the event colourful..!

The Foundation always takes a lead in celebrating festivals of national importance. This year too, CIET celebrated the Independence Day with same Zeal and passion. The celebration started off with a parade which was followed by Speech and Poster Making Competition where all the CIETstudents participated and won prizes.
